

Clublink 5.5

Released October 2008

What's new? We figured a picture would work best here.

Member Level | Reports | Custom Reports

The screenshot shows the Clublink Report Generator application window. The title bar reads "Clublink Report Generator". The interface includes a "Clublink" logo, a "Select a Report" dropdown menu currently set to "Phone List", and buttons for "Update this Report" and "Delete this Report".

The main area is divided into two sections:

- Choose the fields for your report:** A list of 26 fields with checkboxes. Fields 1-3 (First Name, Last Name, Phone Number) are checked. Fields 4-26 are unchecked.
- Choose the membership for your report:** A section for selecting membership criteria. It includes a "Report on Members From....." section with radio buttons for "Invoice with 0 members", "Report with 20 members", "Registration with 257 members", "Finance with 0 members", and "Choose my own members" (which is selected). Below this is a "Report Title (ex: Coach's Phone Numbers)" field containing "Phone List".

Additional options include:

- Membership Type:** Checkboxes for "Recreational" (checked), "Competitive", "Coach", "Judge", and "Member".
- Filter by Birthdate:** A checked checkbox with "From" and "To" date pickers set to "2006-08-02" and "2007-08-02" respectively.
- Mode:** Radio buttons for "Active Only", "Non-Active Only" (selected), and "All".
- Gender:** Radio buttons for "Male", "Female", and "All" (selected).

At the bottom, there are buttons for "Start", "Save Settings as Default", "Add as a New Report", and "Exit".

A few answers to frequently asked questions:

- Clublink is not VISTA 64-bit compatible
- Clublink is VISTA 32-bit compatible provided you turn off User Account Control
- Contact us if you have lost your serial number or installation key
